

**Mentor/ Youth plan for staying in contact during a vacation or other absence of a week or longer**

All CPY mentors have agreed to be in contact with their youth at least once a week throughout their one-year relationship. When one of you will be away for longer than a week for vacation or any other reason, it is still important that you make contact during this time. Please discuss with your youth how you will remain in contact during this time. Then complete the following form by indicating the dates of the trip and how you will maintain your weekly contact. Please return completed form to CPY before trip.
